

Convergia Cloud Voice Edge Connect

WHAT IS CONVERGIA'S EDGE CONNECT?

Edge Connect is a unified communications and collaboration tool, that lets you call, message, and meet with anyone from any device.

It includes full HD video, voice, messaging, screen sharing, and conferencing in a single easy-to-use cloud application that integrates with your other business apps.

SOLUTION ADVANTAGES

- **Pan-American Company**
with Global Coverage Access to multiple operators in every country, best price and best coverage
- **24/7/365 Support**
Support from a real person who speaks your language
- **Secure and Private Network**
Geographically redundant Real-time fraud detection system
- **From the Office or on the go**
Connect from anywhere, from any device

SOLUTION BENEFITS

The collaboration app that keeps you connected to everyone and everything.

Improved productivity

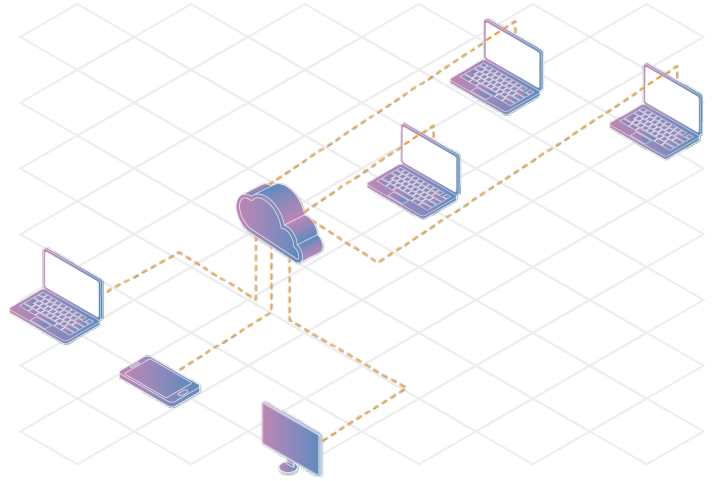

Companies that deploy unified communications (Edge Connect) experience a 72 percent increase in business performance.

Better collaboration

After Edge Connect is implemented, 91 percent of IT executives see improved collaboration.

Faster problem solving

Significantly faster problem resolution is reported by 88 percent of Edge Connect buyers.

SOLUTION FEATURES

- **Calling**
Enrich your business relationships using the highest-quality HD voice and video from your desktop, tablet, smartphone, or conference room. Publish one number and be reached on the device of your choice.
- **iOS and Android APP**
Our App is iOS and Android friendly. Download our App on your tablets, desktops and smartphones. Stay connected while you're in the office or on the go.
- **Messaging**
Chat with your contacts instantly.
- **Meeting**
Invite colleagues and guests to your private My Room meeting space. Make your meetings more engaging with HD video, voice, messaging, screen sharing, and calendar integration.
- **Content Sharing**
Enjoy instant access to content you share in common, like emails, files, and calendar events, giving you the context you need to make conversations more productive.
- **Screen Sharing**
Share your entire screen during conferences or have a guest share their screen. Whether you're on your desktop, tablet or smartphone.
